

## NGB Support Guidance for the Community Sports Coach Scheme

Sport	Swimming
<p><b>NGB deployment focus for the Community Sports Coaches linked to the NGB player pathway and relevant development initiatives.</b></p>	<p>3 possible models:</p> <ul style="list-style-type: none"> <li>– To facilitate the movement of swimmers from FUNdamentals to SwimSkills (i.e. working with local authorities, learn to swim providers and swimming clubs to create the conditions that will enable swimmers to move into the appropriate training environment);</li> <li>– To facilitate the movement of swimmers from SwimSkills to Training to Train (i.e. working with local authorities and swimming clubs to create the conditions that will enable swimmers to move into the appropriate training environment);</li> <li>– To facilitate swimming clubs working in a cluster or a network of clubs (i.e. working with swimming clubs to ensure that Swim 21 accreditation can be achieved and to provide a holistic swimming system).</li> </ul> <p>Selection criteria:</p> <ul style="list-style-type: none"> <li>– Does a club have a culture of paying for a coach and/or coaches?</li> <li>– Does a club have partnership funding (current payment of coach)?</li> <li>– The County Sport Partnership has at least 50% of swimming clubs signed up to Swim 21 or accredited.</li> <li>– First priority will be given to swimming clubs that have already achieved Swim 21 accreditation at skill development level or above.</li> <li>– Second priority will be given to swimming clubs that have completed and submitted a Swim 21 audit.</li> <li>– The relationship of the Swim 21 clubs to each other within a local authority and County Sports Partnership.</li> <li>– The commitment of a local authority and club to access appropriate water time in line with LTAD guidelines (depends on the model being followed).</li> </ul>

<b>Maximum level of NGB coaching qualification for coaches employed through the Community Sports Coach Scheme</b>	<p>ASA Club Coach is the minimum level of NGB coaching qualification, as this is the minimum level that is expected of a Swim 21 Skill Development Club. Coaches could also be qualified to ASA Coach level, which is the minimum level expected of Swim 21 Competitive Development and Performance Clubs, this will be required for the second and third models. All coaches must have a commitment to Continuous Professional Development (CPD).</p>

	<p>An examination of the clubs that have achieved Swim 21 accreditation reveals that they cover 21 County Sports Partnerships. However, there are only 2 (Teeside and London) County Sports Partnerships that appear in all 3 lists. There are only 7 (Teeside, London, Suffolk, Lancashire, South Yorkshire, Staffordshire and Nottinghamshire) County Sports Partnerships that appear in the ASA list and either the School-club links or Community Sports Coaches list.</p> <p>It is suggested that attention is focused on County Sports Partnerships in the following priority order:</p> <ul style="list-style-type: none"> <li>- Priority 1 – Teeside, London;</li> <li>- Priority 2 – Lancashire, South Yorkshire, Staffordshire, Nottinghamshire, Suffolk</li> <li>- Priority 3 – Greater Manchester, Northumbria, Tyne &amp; Wear, North Yorkshire, Humber, Birmingham, Black Country, Warwickshire, Essex, Hertfordshire, Berkshire, Sussex, Sport Development, Gloucestershire.</li> </ul>
