

## What Cant I Apply For?

Sport England wants to fund innovative projects that will achieve our business objectives and regional priorities and support the Delivery System for Sport. We are happy to consider new and exciting concepts. However, there are certain projects that we will not fund and these include:

- ✘ Stand-alone social facilities or projects concerned solely with social provision (e.g. a new kitchen or bar in a clubhouse)
- ✘ Transport assets such as a mini-bus or van
- ✘ Personal sports equipment or team kit
- ✘ Projects that have already started
- ✘ Supporting ongoing initiatives (MUST be new provision/resource)
- ✘ General running costs, e.g. ongoing staff costs; council tax; gas, electricity or water bills; facility hire
- ✘ Items that only benefit an individual, e.g. prizes, scholarships, bursaries, personal clothing or equipment or the purchase of tickets for events.
- ✘ Activities promoting religious beliefs
- ✘ Endowments
- ✘ Loan repayments
- ✘ Foreign trips
- ✘ Goods or services bought or ordered prior to an Award being confirmed
- ✘ Equipment e.g. computers, printers, laptops and other IT equipment, telephones and fax machines
- ✘ E-mail and internet access
- ✘ General office and administrative service costs

Each Sport England region has identified types of projects that are needed (and therefore have a higher priority for funding) so do ensure you have thoroughly read and understood your regions [Our Priorities For Funding](#).
