Contact details for your local CSP

County Sport Partnerships (CSPs) are the voice of sport within the county, providing links between participants in sport, the local community, facilities, local councils and governing bodies.

The aims of a CSP are to:

- Increase participation by co-ordinating sport across the county
- Get the community active
- Raise the profile of sport throughout the county
- Player pathways in the delivery system for sport
- Provide information and resources via the website
- Find new ways to best help people reach their potential
- Share good practice to ensure strategic plans are co-ordinated
- Link schools to clubs and
- Attract investment for sustained delivery of sport.

There are 5 CSP's in the East Midlands, each operating through a core team of staff and reporting to an executive board. Please see web links below for general information and further information on the lead officers within each CSP:
