

Sport England Yorkshire

Who we are and what we do

Sport England Yorkshire's primary role is to sustain and increase participation in community sport in Yorkshire and Humber. Sport England is the Government's community sport key delivery partner and a Lottery distributor.

What Sport England Yorkshire does

Sport England exists to sustain and increase participation in community sport. This includes traditional team sports like rugby and netball, as well as newer activities, such as skateboarding.

Sport England seeks to do this through promoting, investing in and advising on high quality **sporting pathways** which **release potential** through:

- Community sports activities
- Sports clubs (including competitive sport)
- Coaches and officiating
- Player pathways
- Volunteering
- Sports facilities
