

Facilities Costs First Quarter 2015

The following costs are for the development of community sports facilities and are based on providing good quality sports facilities for the 1st Quarter 2015. These rounded costs are based on typical schemes funded through the Lottery and CAD layouts developed in accordance with Sport England DGNs current at 1st Quarter 2015.

Tender prices are forecast to rise by 4.3% to December 2015. It is anticipated that total construction output will rise by 5.5% in 2015.
